

# Dynamic escape sign luminaire

## one-sided and two-sided

**NEW**

### General product description of the dynamic luminaire (one-sided and two-sided)

One-sided and two-sided dynamic escape sign luminaire for indication of varying escape directions.

Implementation on the basis of DIN VDE 0108-100, IEC 60598-2-22, DIN 4844 and EN1838. With integrated media converter to ensure bi-directional communication with the higher-level guidance system via the AC 230 V supply line.

No additional bus line necessary.

Management System  
ISO 9001:2008

## Product images and technical details

Type: RZ Dynamic two-sided

Type: RZ-Dynamic one-sided

technical details	Values
Product name	RZ Dynamic, one-sided and two sided
Dimensions	width: 250 mm height: 180 mm thickness: 35 mm
Recognition range	21 m
Voltage supply	AC 230 V DC 216 V
Current consumption	two-sided luminaires: 4.8 W one-sided luminaires: 3.9 W
Temperature range	-20°C to +40°C
Type of protection	IP 23
Display modes	arrows in 4 directions (green) blocking signal (red cross)
Mounting	ceiling or wall installation

Dynamic escape sign luminaire Vers. 1.0
